4. Updates:

- **Accessible Picnic Tables**

Recreation Director Geoff Patterson was not in attendance so the Committee were unable to obtain an update on the accessible picnic tables although it was the Committee's understanding that through a partnership with the SALC Men's Shed some tables have been produced, delivered to the Township and are already in use.

5. New Business:

- Mobility Mat Procurement

Helen Siroski advised that the CAO had received an email from Councillor Jacob inquiring if procurement of the mobi mats is an option for the Township for our beach facilities. Helen Siroski advised that herself and Recreation Director Geoff Patterson met with a sales representative from Mobimat by Deschamps at Burnstown Beach in early 2018 to preview the product and discuss the options available to the Township. It was determined that the amount of product that would be required to provide a safe and efficient path to the water would be cost prohibitive. It was noted that to-date no requests have been received from the public for this service to be provided.

The next Accessibility Advisory Committee meeting will be held on Tuesday September 3, 2019 at 9:00 a.m.

Moved by Angela Young, seconded by Chris Vereyken, THAT this meeting adjourn at 9:12 a.m. **CARRIED.**
