Proposed Zoning By-law Amendment

The purpose of this application is to rezone 6.44 hectares of a vacant 10 hectare property to allow the creation of two new residential building lots by severance and permit residential development on the retained lands.

The effect of the amendment is to:

- rezone the severed lots from Residential One (R1) and General Industrial (GM) to Residential One-Exception Fifty (R1-E50) Zone to require a minimum 1 Ha lot area and permit a dwelling within 500 metres of a landfill site for each new lot.
- rezone a portion of the retained lands from Residential One (R1) and General Industrial (GM) to Residential One-Exception Fifty-One (R1-E51) Zone to require a minimum 7 Ha lot area, a 20 metre wide vegetated buffer along the south property line abutting the road allowance, and permit a dwelling within 500 metres of a landfill site.

- rezone a portion of the retained lands from General Industrial (GM) to Environmental Protection (EP), to prohibit development on these lands in compliance with the archaeology policies in the County of Renfrew Official Plan.

All other provisions of the Zoning By-law will apply.

Council considered all written and oral submissions received on this application, the effect of which helped Council to make an informed decision.
